Check out Avid Link, a free app that installs with Media Composer – Join a vibrant creative community of other video and audio creators. Expand your opportunities, promote your work, and find new talent.
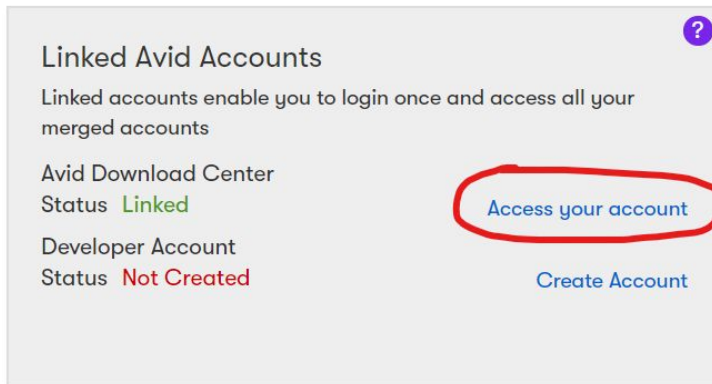

Let your creativity flow!

3. Sign in to your mail, in a few minutes you receive a link to download.
4. Download and install the correct version for your operating system (in some operating systems we found that you have to wait a long while for the installer to appear, be patient your computer will pull through). You'll be prompted to install "Avid Link", go ahead and install it, you'll need that too. Restart to complete the installation.
5. Following the restart, click Show in the "Avid Link" in Menu bar software on mac or Taskbar on a Windows computer. See video here
6. Enter your email and password under profile.
7. Launch Avid Media Composer and select the Trial Mode.
